For *Registrar*.

DEPARTMENT OF PUBLIC INSTRUCTION.

MYSORE LOCAL EXAMINATIONS.

Notification No. D. 28—31-32, *dated* 22*nd September* 1931.

It is hereby notified for general information that Government have in their orders (1) No. E. 862—Edn. 75-31-2, dated the 24th August 1931 and (2) No. E. 1097—Edn. 64-31-2, dated the 10th September 1931, been pleased to accord approval to the following revised Syllabuses in the two additional subjects prescribed for study for the S.S.L.C. Course namely, (1) Needle Work, Embroidery and Dress Making, and (2) Domestic Science, respectively, and that the revised syllabuses referred to will come into force with effect from the academical year 1932-33.

MYSORE S.S.L.C. SCHEME.

I Revised Syllabus in "*Needle Work, Embroidery and Dress Making*" (Three years' Course).

IV Form.—Revision of all the stitches in Middle Schools—
To hem-stitch men's handkerchiefs 15 x 18 in. square ½ in. hem.
To hem-stitch women's handkerchiefs 9 in. square and ¼ in. hem.
Knitting and Crochetting babies, boots and caps.

V Form.—Whip stitching and putting on a frill—
(*a*) Articles:—A man's Jubba opening on shoulder.
A child's knickers with frill.
A child's shirt with "glad-neck" collar.

(a) Glad Neck Shirt:—A shirt with a glad-neck collar has no neck-band, the collar being sewn directly on to the opening of the neck. The opening for the neck is not cut round as in an ordinary shirt but is sloped in front to form a "V" Shape. This style of collar is used for securing greater comfort and coolness as it gives complete freedom to the neck.

(b) Knitting:—A baby's vest and a child's socks (Knitting) hair-pin braid and lace edging to be used as trimming, narrow insertions, hand-kerchiefs with scallops and embroidery. Table covers of different sizes.

VI Form.—To cut out and sew a girl's coat.

Drawn thread work of three different patterns of progressive difficulty.

Revision of all the work previously done.

N.B.—Sewing machine should be used for working the garments together in all the classes.

Pupils should be taught how to oil and clean a machine and to use an iron.
